On Sunday 11th December at 3pm in St. Nicholas Church why not enjoy an atmospheric afternoon of Carols. The Waterside Scratch Band will be providing the music – with a little audience participation!  
The Church will be lit with candles and there will be free refreshments and of course it wouldn't be Norfolk without a raffle!

## Tree of Remembrance

The usual Christmas Tree of Remembrance will be in the Church Porch from the first weekend in December. Please feel free to use as many of the tags provided that you need, or perhaps you would like to make your own.

## **The Reason for the Season:**

It was Pope Julius, in AD353, who authorised December 25<sup>th</sup> to be celebrated as the birthdate of Jesus. This followed a great deal of research by learned people of the time but, it must be said, the evidence that this is the actual date is not strong. To me, it doesn't matter. Christ had to be born at some time and this seems as good a date as any. But I doubt whether, when Pope Julius made that declaration, anybody would have foreseen what it would become in our day.

Similarly, when professor Charles Follen, in 1832, lit candles on one of the first Christmas trees in America, nobody, in their widest dreams, could have imagined how elaborate the decorations would become. Over 2000 years have passed since that dark night was brightened by a guiding star that led the wise men to King Jesus's humble birthplace.

Yet, as we approach December 25<sup>th</sup> once again, amidst all the excitement, decorations and commercialisation, let us all be very intentional in keeping Christ at the centre. Let us pause to reflect and worship God as we consider afresh the outlandish Christmas story of His rescue plan for humanity by actually taking on human flesh and becoming a vulnerable baby.

So perhaps it would be good to take a moment this Christmas to, ourselves, follow that guiding star. Carol services are a super way to 'catch up with God' and what an excellent thing to do with our family and friends - taking time to consider the real *reason for the season* in joy and love.

Our churches in this Benefice wish you all a truly blessed and happy Christmas.

John Savage, Worship Assistant

## **Dear Friends,**

This will be our first Christmas with you in the Waterside Benefice, and we would like to wish each one of you a very happy and blessed Christmas and New Year. It really is a joy and a privilege to be with you in the churches and parishes that make up our Benefice, and we hope to meet as many of you as possible at the various services planned in the area during December.

We would all agree that we live in challenging times, and it's good to remember that Christmas is all about the true hope that God brings to us in the person of Jesus, and there is a particular verse in John's Gospel that seems to highlight this in a special way- it is this: 'I have come to bring light into the world, so that everyone who believes in me will not remain in darkness'. The point here, of course, is that God himself has chosen to come to us- into our lives, our doubts and fears, the low times of our life as well as the highs, and to be our light in times of darkness. All he asks is that we make room for him, and to open the door of our lives to him, and not simply reserve him for the periphery.

The prayer for all of us this Christmas might be this: 'Lord Jesus Christ, help me to make room for you in my own life-meet with me in the centre of where I am at the moment, and then stay with me forever. Help me to give you not merely a token place in my heart, but to place you at the core of all I am, and all that I do. Amen.'

May you have a truly blessed Christmas, wherever you may find yourselves.  
With our love and best wishes, Gary and April

### **Free Winter Warming Center** **supported by the Norfolk Community Foundation.**

We are thrilled to announce that Potter Heigham has been awarded funding in support of our Free Winter Warming Center. This will be at the Village Hall and open to ALL from 11am to 2.30pm on Thursdays from December 8<sup>th</sup> to the end of March 2023. Come and enjoy friendship, hot food and activities for all ages.

We will need volunteers to help every Thursday, we think two per session, and will have a calendar posted on the Parish Council Website where you can check to see when we need help.

If you have any playing cards (complete packs) or board games that you could donate for people to play we would be very grateful.

Please call Mary Haslam on 670429 if you have any items to donate or would like to volunteer.

Many thanks, Potter Heigham Parish Council.

## Broads Ladies

Firstly let me say a big thank you to all the ladies that made the pet Christmas crackers this year. I will let you all know how much we made at the meeting in December.

We will be making a Christmas tree decoration at the next meeting. You will need to bring along some Christmas fabrics, half to three quarters of a meter should be enough, different patterns will be best but you can do all one fabric if you wish. Scissors and a pencil will also be useful, however I will bring along extra things so you can share scissors and pencils. We also thought it would be nice to have a few nibbles to enjoy. Please only bring along a small amount of food to share. It would also be useful to let me know what you are bringing, so we have a variety of things. We are meeting on Friday 2nd December at 7.30pm at the Methodist Church hall. It will be a fun evening.

On Friday January 6th 2023 we have our AGM. It was decided that we will again be going to the Falgate. I will need to know how many will be attending so I can book the restaurant places. Can you also bring along ideas for next years meetings. I have a couple of things already booked, but new ideas are always welcome. I can't believe this is the last meeting for 2022. I would like to wish everyone a merry Christmas and happy and healthy New Year .

## **Potter Heigham Mardlers & more**

It was a pleasure to welcome Heather Hasthorp who introduced us to a really informative talk on Traditional & Contemporary Quilting illustrated with many beautiful samples. Also on display was some lovely work from our own members including beadwork, soft toys, glasswork etc. Who knew we had such talented members.

On November 27th we had a trip to Thursford Christmas Spectacular and on the 30th held our Christmas lunch at the Acle Bridge Inn. What a start to the Christmas festivities!
